## SENIOR CLASS SONGS OF 1959

(Tune—Children's Marching Song)

Here's a tale we're to tell,  
Of the years we've spent so well.

CHORUS:

Freshmen green sets the scene,  
Roaming halls as we were seen

CHORUS :

Sophomores now sets the stage,  
For our dance which was the rage

CHORUS :

This big year has just come,  
Upperclassmen, Junior Prom

CHORUS :

This ol' year number four  
Graduation's at the door

CHORUS :

Yea! fifty-nine, we're the class,  
We're the class that real-ly lasts

CHORUS :

With a nick-nack paddy-wack give  
our class a cheer,

This ol' class to all is dear.

(When the Saints go Marching in)

Oh we're the class of fifty-nine,  
Oh we're the class of fifty-nine,  
And we're proud to be graduating  
As the class of fifty-nine

We've had our fun and now we're  
done,

We've had some wonderful memories  
too,

And we're proud to be graduating  
From Memorial High School

We are leaving this old school,  
Oh we are leaving this old school,  
We will miss our friends and teach-  
ers

'Cause we'll be graduating soon

(Tune—Halls of Ivy)

Our high school days are ending,  
And new goals lie ahead,  
Our future now is pending  
On paths that we will tread  
To teachers and to classmates  
We bid each one good-bye,  
We'll always cherish memories  
Of days at Memorial High

## MY HAPPINESS

Janet Quick and Connie Clark

Here we go upon our way,  
Toward our graduation day,  
Casting all our cares away,  
Our happiness

Though there was a lot of fun,  
Many goals were never won,  
Mainly trips to Madison—  
Lost happiness

We seniors one and all  
Hope the Juniors will recall  
The spirt and fight  
Of our 1959 plight

When our future plans are made,  
Farewell to our friends are bade,  
Memories from our class won't fade,  
It's happiness

(Tune—Down by the Riverside)

Mary Lane Lueck

We're about to leave this dear ol'  
school,

No not too long from now,

No not too long from now,

No not too long from now,

We're about to leave this dear ol'  
school,

No not too long from now,

Diplomas are our goal

Next year we'll be out of school,

Going our different ways,

Going our different ways,

Going our different ways,

Next year we'll be out of school,

Going our different ways,

We know we can't go wrong,

(Tune—Battle Hymn of the Republic)

Our eyes shall see the glory of our  
graduation day,

We'll be marching down the aisle  
and be smiling all the way,

We've had a lot of schooling, and our  
school days now are through,

But we've had our good times too

CHORUS :

We'll remember all the faces that  
we've grown accustomed to; and

Recalling all our fun-filled times,  
we rather hate to leave;

As we wonder what the future holds,  
we'll meet it with a smile,

For now we're marching on.

CHORUS :

Glory, Glory Eau Claire High School,  
Glory, Glory Eau Claire High School,  
It's time to say goodbye.
