## The Best Things In Life Are Fun

The classroom film combined the learning process with entertainment.

A familiar after school scene in M.H.S. halls is the cleaning of the drinking fountain "old facefull."

A suspenseful moment—cleaning up a spare is captured in this shot of intramural bowling.

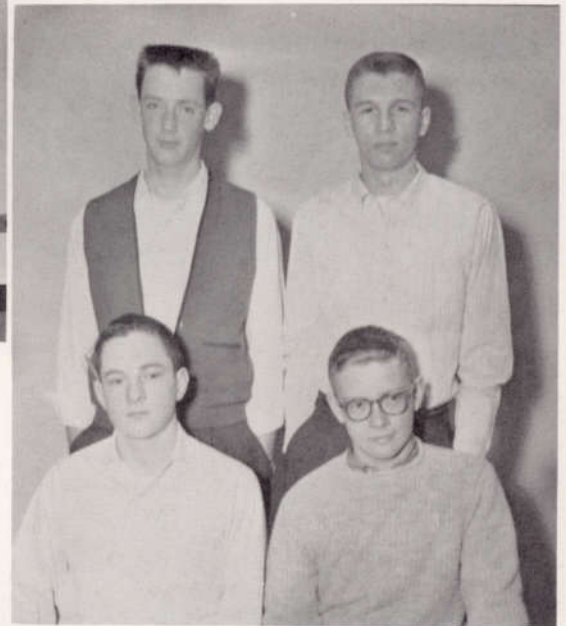

The spirit of the junior cheerleaders is waiting to express itself at a pep assembly.

## Big Times In School Life

Shining new faces added to our faculty this year were; *Standing:* Mr. Allan Friederick, Mr. Harold Freid, and Mr. Thomas Frisbie  
*Seated:* Mr. Donald Pratt, Mrs. Dorothy Pratt, and Miss Ellen Peterson.

Members of the ski team take time out from their frolicking snow fun to pose for this picture.

The progressive juniors get in step at the annual Turkey Trot.

("Big daddy,") Dan Roscoe and friend.
