

News of the Month for December, 2007

Memorial High School Class of 1959

Eau Claire, Wisconsin

Dear MHS Classmates,

After the decision was made to have our 50th Class Reunion at the Ramada Inn/Convention Center in downtown Eau Claire, a number of you responded with very positive comments about returning to the “four corners” where we spent so much time during our “growing up” years. The enthusiasm is great! The Reunion Committee members are happy with the decision and are coming up with all kinds of good ideas to keep everyone busy and entertained during the reunion weekend. Therefore, if you haven’t already done so, you might want to make reservations to insure the convenience of a room at the Ramada, the parking ramp for your car, and a weekend of relaxation and fun! Details are in the November Newsletter. Several people who have not attended any reunions through the years have indicated they plan to be at the 50th, so we should have a record crowd!

It’s also very nice to have received several updates of addresses and telephone numbers from classmates over the past month via the web site. Steve Loken picks them up and sends them off to me so that we can both update our files and keep everything current. If you are reading this and have moved but haven’t updated your address information recently, would you please do so NOW. The Reunion Committee is planning to send out a newsletter in January, 2008, about all the details for the 50th Reunion, and we want to make sure the newsletter gets to you, so help us out, and take time to update your info. If you’d rather, you can, certainly, call or email me. Just use the information below.

Also, while you’re on the web site today, you might want to check the “Bulletin Board.” There are several recent articles from the *Leader-Telegram* that you will find very interesting. Remember, those articles only stay on the “Bulletin Board” for about one month, so try to look at it regularly if you want to read recent news about people you know.

December is a busy time, but if you’re in Eau Claire on the second Thursday of the month, which is December 13th, plan to stop-in for “Lunch at Mogie’s” at 1:00 p.m. Whether there are ten or twenty-five classmates around the table, it’s always a good time, and part of the fun is never knowing who is going to show up!! It will be a good “break” from all the hustle and bustle of the season.

Happy Holidays to all of you and a very Happy 2008 – as we start looking forward to 2009!
