## Memorial High School Class of 1959

### Eau Claire, WI

December 2009

Dear Classmates,

The 50<sup>th</sup> Reunion Commemorative Book was mailed on November 6, 2009. Everyone who ordered a book should have received it no later than November 12, 2009. If you ordered one and did not get one, please contact me. Also, if you did not order a book and want one, there are a few extras that were printed, so send me a \$20.00 check made out to *ECMHS – Class of 1959*, and I will send you a book. We've had many very nice comments about the book, so you might be happy to have one.

At the same time the book was mailed, questionnaires were mailed to all members of the ECMHS Class of 1959 asking everyone to complete the questionnaires and return them to me. To date, we have only received 85 questionnaires. Since the answers on the questionnaires will determine how the 55<sup>th</sup> Reunion will be organized, it is important that we get a large number back to make sure the whole class is represented, so if you haven't returned yours yet, please do so NOW. At least your voice will be heard when the committee meets in January to make some preliminary plans for 2014. If you don't let us know what you want, you will have to live with the decisions that are made by those who have returned the questionnaires about our 55<sup>th</sup> Reunion.

Since the *Commemorative Books* were mailed, we have had a number of updates in addresses, emails, and telephone numbers. In addition to the updates, I made some typing errors when putting the book together. As the changes and corrections have come in, I've made changes in my book to update my edition. You may want to do the same thing. So, here are the changes.

If any of you find incorrect information about yourself in the 50<sup>th</sup> Reunion Commemorative Book, please contact me to make the corrections so that everything is updated at this time. There will be a snail mail newsletter that will be mailed to everyone in our class in February, and we want to make sure we have the right mailing addresses for all classmates so that everyone receives the newsletter. Also, the corrections listed above and any new ones that I receive between now and then will be in the newsletter. Thanks to your generosity, we have enough money in the Class of 1959 treasury to keep our class website going for five more years and to be able to send out a yearly newsletter to keep in touch with everyone on a regular basis in February each year until our 55<sup>th</sup> Reunion in 2014.

Sadly, we have lost another classmate. Robert Elwing (Robert Klopp) died on October 22, 2009. His wife, Robin, wrote us a very nice note and explained that Robert was diagnosed with liver cancer in August. His memorial service was on October 30<sup>th</sup>. She explained that Robert's step-father's name was "Klopp," so Robert grew up with that name when he went through the Eau Claire School System. He never knew his real dad because Robert was born a week before Pearl Harbor, which is where/when his father was killed. Robert's obituary is in the "Memorials" section of this website. He is listed as Robert Elwing, which was his legal name and the name he used throughout his adult life. I remember Robert very well from Randall School days and junior/senior high schools, and I'm sure many of you do also. It sounds like Robert had a nice family, a good life, and did a lot to help make life better for others, as well. I am so grateful Robin wrote us.

Have a blessed holiday season and a very happy new year.
