## Memorial High School – Class of 1959

### Eau Claire, Wisconsin

December 1, 2010

Dear Classmates,

The December Holidays are fast approaching, and our classmates in Eau Claire will be getting together to celebrate at Mogie's on Water Street on Thursday, December 9, 2010, at 1 p.m. December always seems to be a special time with some classmates even bringing homemade cookies and candy for everyone. It's also special because, in the past, more classmates from out-of-town have been around, and more "townies" have decided to join the group for lunch too. So, if you're in the area, and you haven't been to a "Lunch at Mogie's" before, December is a good time to start. You'll have a great time, and you will feel welcome as soon as you step in the door.

There have been some recent comments from classmates about how much they enjoy seeing the photos from Mogie's each month on the website. The comments indicate that classmates look happy and seem to be enjoying themselves. Well, they are enjoying themselves, so you can actually "see" why you'd want to be there. However, if you can't be there, you are welcome to send in some family photos of good times at your house this December, and we'll be glad to put them on the website too. It's always fun to see classmates having a good time, so during the holidays you might want to get out your camera, take some pictures, and send them to Steve Loken via email or snail mail. It would be wonderful to find a recent photo of you on the website!

Happy Holidays to everyone, and may your New Year be the best ever!
