Registrations are rolling in! Classmates are calling, emailing, and preparing!  
The 50<sup>th</sup> Class Reunion will soon be here!

Dear Classmates,

Registrations and orders for the 50<sup>th</sup> Class Reunion are coming in! It's exciting to go to my mailbox each day and see who will be part of the celebration in September 2009. Each day there are a few more people who have sent back the registration information and/or their orders. Remember! Whether or not you are planning to attend the reunion, we're asking you to please send back the completed information form. It will help us to verify your address and other important facts even if you can't be in Eau Claire this year. For those of you who have sent them back already, thank you for being so prompt and following directions so well on the forms. It really helps!

Most of you have been great about including a current **photo** of yourself and a **short autobiography** about the past 50 years in your life with your registration/order form. I've been working with the pictures, and we plan to put your high school picture in the 50<sup>th</sup> Reunion Commemorative Booklet right next to your current photo, so it's very important that you send that current picture. The autobiography will be with the photos in a short write up about you, so it's important for you to send that also. If you have already sent back your registration/order form and did not include those two items, please do so now. It will make the Booklet much more interesting for everyone. Yes, we've all changed, and it's hard to recognize anyone from our class anymore, but that doesn't matter. What's a little gray hair or a few extra pounds when you're among friends? And you will be among friends – lifetime friends – in the Commemorative Booklet. We want to make this a really good history of our class, and we want you in it, so please make sure you send those two items to me with your other information when you register or when you send back the form even if you are not going to be at the 50<sup>th</sup> Reunion.

Don't forget! We need your registration/order forms back by the Fourth of July! That means you have one month to decide what you're going to do while you're in Eau Claire, to complete both sides of the form, and to get it in the mail – with your photo and your autobiography.
