

## News of the Month – May 2017 Memorial High School – Class of 1959 Eau Claire, Wisconsin

Dear Classmates,

The annual *Class of 1959 Snail Mail Newsletters* were mailed during the first week of April, so you should have yours by now. However, I have eight letters in front of me that were part of the mailing, but they came back indicating that the person moved and left no forwarding address or that the letter was “not deliverable as addressed.” If any of you know the current address of: Radina Jensen Welton, Sharon Hawke Hassemer, Lynn Preston, James R. Jensen, Beverly Spencer Hager, Roger Beede, or Lynne Nelson Beede, please let me know, or get in touch with that person, and ask the classmate to contact me. It’s really hard to find some of our classmates after all these years, so any help you can give the Reunion Committee will be much appreciated. If you did not receive a *Snail Mail Newsletter*, and you are a member of the Memorial High School Class of 1959, please let me know. I’ll be glad to send you one.

Also, please remember to return your questionnaire right after May 1, 2017. It’s so important to stay “in touch” as we scatter all over the world. The 60<sup>th</sup> Reunion Committee will be meeting during the summer to discuss plans for our 60<sup>th</sup> Reunion, which will be celebrated on September 13, 14, and 15, 2019, so it will help a lot if we have your answers to the questionnaire that was in the annual letter. We want to make the 60<sup>th</sup> Reunion the best ever, and we can only do that with your help, your ideas, and your suggestions. Also, if you want to be part of the 60<sup>th</sup> Reunion Committee, please let me know, so I can contact you whenever the group is going to meet. (Just a reminder: John and I are moving back to our condo at Mill Ridge on May 1, 2017, so our address there is indicated on your questionnaire. As of May 1, 2017, it will be: 4292 Mill Ridge Circle, Eau Claire, WI 54703.) One of the good things about moving back to Mill Ridge is that we’ll continue to be able to use the club house for our meetings with the Class of 1959, and that has worked so well in the past. (Thanks much, Philip Melby.)

I was at a meeting with another group at The Lismore last Saturday, and we had breakfast from the “short order/deli” at the entry to the hotel on Barstow Street. My breakfast sandwich was great. As a matter of fact, I had to take part of it home, because it was so big and so good that I didn’t want to leave any. I think you’ll like the food!
