

News of the Month for October, 2007

Memorial High School Class of 1959
Eau Claire, Wisconsin

Dear MHS Classmates,

The first meeting of the 50th Class Reunion Committee will be on Wednesday evening, October 24, 2007, at the Barley Club at Pine Meadow Golf Course in Eau Claire at 7:00 p.m. For anyone who hasn't been there before, the address is 4324 Fairfax Park Drive, just off Golf Road. It's the same place we met prior to the last reunion and where we held the Friday night get-together for the 45th Reunion.

Notes have been sent to all the people who have contacted me about wanting to be on the 50th Reunion Committee. There are 41 members on the committee at this time. If anyone received notification of the meeting and has decided not to work on the 50th Reunion, please contact me so that I can take your name off the list. If anyone wants to be on the 50th Reunion Committee and did not receive a note about it, please let me know so that I can add your name to the list. Everyone from the MHS Class of 1959 is welcome to be a working member of the Reunion Committee or to attend any of the Reunion Meetings.

There will be two major items of business on October 24th. The first decision that must be made is to finalize when the 50th Reunion will be held. We have tentatively set Friday, September 12, 2009, and Saturday, September 13, 2009, for the 50th Reunion. We have to make a solid decision about the dates at our meeting. The second item of business will be to determine where we are going to have the two major events. We have received a number of suggestions from classmates since the monthly letter in September. I am following-up on them and will have facts and figures at our meeting so that we have a chance to make an informed choice. Of course, the decisions made at the October meeting will be the subject of the News of the Month for November, 2007, so watch for the results on November 1st!!!
