

**NEWS OF THE MONTH – OCTOBER 2016**  
**Memorial High School – Class of 1959**  
**Eau Claire, WI**  
**October 1, 2016**

Dear Classmates,

It looks like the Halloween ghosts and goblins are going to be flying around Eau Claire on their broomsticks while trying to navigate through lots of wind and rain this year! So far, Eau Claire has had about twice as much rain as usual for the year with winds gusting to 40 – 50 miles per hour recently. Hopefully, it will calm down a bit by October 31<sup>st</sup>, so everyone has a chance to get out and celebrate on Halloween. Have a great time “tricks and treating” soon!

As you know, our class lunches are back at Mogie’s on the second Thursday of every month at 1:00 p.m. What you might not know is that Mogie’s is much more handicapped accessible now. If you come into Mogie’s by the back door, there are no stairs to navigate as you enter, so it works easily for everyone – even those in wheelchairs. The front door to Mogie’s still has one step to manage if you want to enter at the Water Street door, which works for many, but, now, you can choose your way, so everyone should be able to comfortably gather at Mogie’s in the future. Hope to see you there on Thursday, October 13, 2016, for a great Halloween lunch!

And for those of you who live elsewhere but might get back to Eau Claire now and then to visit family or friends, it would be nice if you would plan your visits so that they coincide with Mogie’s lunches. It’s always fun for those of us who live in the Eau Claire area to see classmates from other places in the world when they show up at a Mogie’s lunch! (Remember: second Thursday of every month at 1:00 p.m.)

And a big “Thank you” to Kathy Dennis, wife of our classmate, Steve Dennis, for taking pictures each month at Mogie’s and sending them off to Steve Loken for our class website, so our classmates can keep-up with who’s there and who’s not. We all appreciate your efforts and your expertise, Kathy. It really is nice of you to do this.
