Memorial High School - Class of 1959

Eau Claire, Wisconsin

September 1, 2017

Dear Classmates,

After teaching, counseling, and subbing in the Eau Claire School System for way over 35 years, I still think that the beginning of the school year is a big occasion. So, when September comes around, I always celebrate it and all of the students who will be part of the learning experience in the coming year. From pre-school students through college and beyond, I love to see children, teenagers, adults, and older folks, like us, enjoy more knowledge and lots of new challenges ahead. Hopefully, your year ahead will be one of fun adventures and wonderful times with friends and family...and lots of learning along the way!

One fun event for members of the ECMHS Class of 1959 each month, all year long, is *Lunch at Mogie's* on Water Street. Since Mogie's has been renovated and is wheelchair accessible now, it makes it a lot nicer for all of us to get there easily. The lunches start at 1:00 p.m. on the second Thursday of the month, but many classmates arrive early and stay late. There really is no "end" time. It's just how long people want to stay and visit that determines when people decide to leave after lunch. So, keep the monthly class lunches in mind, and come see your high school friends whenever you can. (Sometimes there is no photo for the month on the class website, but that doesn't mean that there was no luncheon that day. It only means that no one had a camera that day!)

Last month's website newsletter gave you some information about plans for our 60th Class Reunion in 2019 and for each of the years after. If you did not see the *August 2017 Website Newsletter*, please go back and read it. Then, email or snail mail your reactions to me. We would really like to hear from you. We would like to know how you feel about the plans, so we know we are doing what you want for our class. A one day/night class reunion each year in September, after our 60th Reunion three day reunion, is a good plan, but there are other possibilities, so don't be afraid to come up with other ideas. The more ideas, the better the reunions after our 60th Reunion will be!
